

BRUSH CLEANER

Brush Cleaner/Thinner for use with 2-Part Screen Adhesive

DESCRIPTION

A solvent based brush cleaner/thinner.

Applications

Brush Cleaner was developed for use with 2-Part Screen Adhesive.

READ ENTIRE TECHNICAL DATA SHEET BEFORE USING THIS PRODUCT

FEATURES & BENEFITS

- The product is used for cleaning of brushes following application of 2-Part Screen Adhesive. It can also be used as a thinner for the adhesive to reduce the viscosity for fine mesh applications, or speed up the drying time of the adhesive.
- Ensures optimum results with 2-Part Screen Adhesive.

WORKING INSTRUCTIONS

Thinning

2-Part Screen Adhesive can be thinned by up to 20% with Brush Cleaner, as required.

Cleaning

Brushes should be cleaned with Brush Cleaner as soon as possible after use, before the adhesive has had chance to harden and cure.

For more information on how to use MacDermid Autotype products, go to the How to Guide section at macdermid.com/autotype.

SHELF LIFE & STORAGE

Brush Cleaner should be stored between 0 to 30 °C (30 to 86 °F).

Shelf life at these conditions is two years.

PACKAGING

Brush Cleaner is available in trade packs of 12 x 1 Kg and 2 x 5 Kg.

SAFETY & WARNING

MacDermid Autotype recommends that the company/operator read and review the Safety Data Sheets for the appropriate health and safety warnings before use.

Safety Data Sheets are available from MacDermid Autotype.

WASTE TREATMENT

Prior to using any recommendations or suggestions by MacDermid Autotype for waste treatment, the user is required to know the appropriate local/state/federal regulations for on-site or off-site treatment which may require permits. If there is any conflict regarding our recommendations, local/state/federal regulations take precedent.

 READ IT THOROUGHLY PRIOR TO PRODUCT USE.

DISCLAIMER: All statements, technical information and recommendations contained herein are based on tests we believe to be reliable, but the accuracy or completeness thereof is not guaranteed. No statement or recommendation shall constitute a representation unless set forth in an agreement signed by officers of seller and manufacturer. NO WARRANTY OR MERCHANTABILITY OR WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE IS MADE. The following warranty is made in lieu of such warranties and all other warranties, express, implied, or statutory. Products are warranted to be free from defects in material and workmanship at the time sold. The sole obligation of seller and manufacturer under this warranty shall be to replace any product defective at the time sold. Under no circumstances shall manufacturer or seller be liable for any loss, damage or expense, direct or consequential, arising out of the inability to use the product. Notwithstanding the foregoing, if products are supplied in response to a customer request that specifies operating parameters beyond those stated above, or if products are used under conditions exceeding said parameters, the customer by acceptance or use thereof assumes all risk of product failure and of all direct, indirect and consequential damages that may result from use of the products under conditions, and agrees to exonerate, indemnify and hold harmless MacDermid Incorporated therefrom. No suggestion for product use nor anything contained herein shall be construed as a recommendation to use any product in infringement of any patent rights, and seller and manufacturer assume no responsibility or liability for any such infringement.
